## Youth Workshops

### Children's Hat Workshop

May 12, Saturday, 10 am - noon.  
Ages 7-10  
Fee \$30, including materials.  
Space is limited to 8 children.

A fun morning for children, ages 7-10, with a parent/grandparent making hats from colorful and recycled materials with artist and author Alyn Carlson. See Alyn's book video <https://www.youtube.com/watch?v=2FDqAKe29W4>.

### Teen Portrait Sculpture and Drawing Workshop – I'm a Live Wire

May 19, Saturday, 10 am - 1 pm  
Barbara Barry, Instructor  
Fee \$30 (includes materials).  
For Middle and High School students. Limit of 10 teens.

Most traditional line drawings are done in pencil, pen or charcoal. However Henri Matisse learned to draw line with his scissors later in life and "Sandy" Calder created his line with wire! This workshop will explore the expressive nature of line first developing a contour portrait with pencil and ink and then with flexible wire. Students may add textural collage materials to finalize and a touch of color to their project. See [WestportArtGroup.com](http://WestportArtGroup.com), [Youth Education](#).
